Protector Weatherproof Padlocks

With 180 years of manufacturing expertise, an exclusive Yale design and rigorous testing, the Yale Protector Weatherproof Padlocks have been built with you in mind. Suitable for your garden shed, shutter gate or any other high value items you need to keep safe and secure outdoors. Our padlocks come in 2 different sizes with a Boron shackle to prevent cutting and a protective cover on the body and key hole for additional weatherproof protection to suit your needs. Yale takes care of your possessions; you take care of the rest.
